Anybody who is interested in being part of the Executive Committee (EC) and thereby representing their school on this committee, is welcome to attend the meeting. We are encouraging anybody who is willing to make the commitment to participate, but especially those who are not yet seniors.

We will be planning the next DAIS general meeting. Come with creative, interesting and exciting topics of discussion for this DAIS meeting.

We look forward to seeing you all for our next EC meeting of the school year...our 10th year of DAIS! Be prepared to continue to make this, your organization, one that continues to grow and succeed!
