Invite those students who you think may not be on the list, as well as those who may be on our list and will need encouragement to attend. It is especially important to invite students who are in the 8th, 9th and 10th grades.

If you are a US citizen and New York state resident and are interested in registering to vote, there will be NY state voter registration forms available for you to complete. Students from other states, please check with your state's board of elections in order

to register to vote. The deadlines to do this are approaching in early October. If you are eligible to vote, you should exercise that right and vote in this upcoming presidential election!

I look forward to seeing you all as we continue to grow! This is your organization!

See you on Friday, September 26th!
